Getting Started (novice)	I did not use tools yet.	I don't get it yet.	I haven't tried any strategies yet.	I did not record any tasks, concept mapping, and/or data or share it yet.
Almost (apprentice)	I tried to use some tools and started some tasks.	I get some of it.	I tried 1 or 2 strategies but still not sure.	I started tasks, concept mapping, and/or data and shared some of it.
Got it! (practitioner) Meets Standard	I used appropriate tools and most of my tasks are complete.	I get it and can explain it.	I used some strategies and can help others.	I completed tasks, concept mapping, and/or data and shared all of it.
WOW! (expert) Exceeds Standard	Excellent use of tools and all my tasks are complete and I can prove my thoughts with details.	My ideas make sense and I can teach it to someone else.	I have some new strategies of my own to share.	I completed tasks, concept mapping, and/or data and shared all of it with details and supporting evidence. I can also present to class or Mr. Harder a polished presentation using varying media.
